Note.

Letters nos 1443 and 1444 dated 7th May 1900 from the Deputy Commissioner, Kadur District.

In the above, the Deputy Commissioner solicits sanction to the institution of two Civil Suits for the recovery of the moneys lent to certain private individuals out of the funds of the temples of Sri Rameswara at Dêvarvinda and Sri Hallanatheswara at Phalguni both situated in Mudgere Taluk.

The facts are as follow:—

I As regards Sri Rameswara temple at Devarvinda — Deputy Commissioner's letter No 1443 dated 7th May 1900 —

In July 1897 when C. Narasimha Rao was Amildar of Mudgere Taluk, a sum of Rs 200

out of contributions levied for the repair of the temple, was lent to one Subrahmanya Bhatta on a bond executed by him under date 26th July 1897 in favor of the temple manager Bhaire Gowda and others*, hypothecating a house and a wet-land of his as security and promising to repay within 6 months, the aforesaid amount with interest at 1% per mensem. This deed has been duly registered.

*: names not specified in the document

The aforesaid Subrahmanya Bhatta having failed to pay up the amount of the loan within the

period of 6 months specified in the deed, a notice was issued to him in April 1898 by the present Amildar B. Chennakesavaiya requiring him to repay the amount of the loan at once and stating that in default, a suit will be instituted against him for the recovery of the amount. Another notice was issued simultaneously to Bhaire Gowda, the person in whose favor the bond stands, requiring him to take immediate steps for the recovery of the money due to the temple by Subrahmanya Bhatta.

On receipt of the notice, Subrahmanya Bhatta paid only Rs24- the interest due for one year; but he has not repaid the principal amount. Yet, though repeatedly called upon to do so.

Bhaire Gowda, in reply to the notice issued to him has deposed before the Sheikdar that he simply collected the contribution paid by the devotees for the repairs of the temple and remitted it to the Taluk Cutcherry, that it was the Amildar (C. Narasinga Rao) who granted the loan of Rs 200- out of the aforesaid sum

to

to Subrahmanya Bhatta and had the deed drawn up in his (Bhaire Gowda's) name and that he had nothing to do in the matter, that the document itself was not in his possession and that therefore he was not responsible for the recovery of the loan in question.

Again, in October 1899 another notice was issued to Bhaire Gowda calling upon him to institute a suit against the debtor, he being the person in whose name the document had been drawn up; but Bhaire Gowda has not shewn any inclination to move in the matter.

7 In these circum-
-stances, the Deputy

Commissioner solicits sanction of Government to the institution of a suit against Subrahmanya Bhatta in the name of the Taluk Amildar as local Mugrai Officer, the cost thereof being met from the temple funds.

If it is found that Subrahmanya Bhatta will be compelled to renew the debt after he is put in charge, & after executing a deed in favour of the temple with proper sureties

II As regards the Sri Kallanatheswara temple at Phalguni. Deputy Commissioner's letter No. 1444 dated 7th May 1900.

Again, in this case, when C. Narasinga Rao was Amildar of Mudgere Taluk, a sum of Rs 500- out of contributions levied for the repairs of the temple was lent to a Coffee planter by name Nanjundiah on a document executed by him in the name of

the temple Vahivatdar Shanbhogue Ramanna under date 11th August 1897 hypothicating certain lands in his holding as security and promising to repay the loan within 8 months with interest at 10% per annum. This document has been duly registered.

The aforesaid Nanjundiah having failed to repay the loan within the stipulated period, a notice was issued to him requiring him to pay up the amount. But he has not done so yet.

The Vahivatdar Ramanna in whose name the document has been drawn up was

also called upon to take steps for the recovery of the loan in question but he has not moved in the matter.

In these circumstances, the Deputy Commissioner solicits sanction of Government to the institution of a suit against the aforesaid Nanjundiah in the name of the Taluk Amildar as Local Nuzrai Officer, the cost thereof being met from the balance of Rs 254-1-7 remaining out of the contributions originally levied from the devotees for the purpose of the temple repairs —

Note continued :-

As directed by the First Councillor (the present Dewan), the Dy Commr was requested to obtain the explanation of C. Narasingu Rao and submit the same for the orders of Government.

As regards the amounts due by Subrammanya Pillai and Ramjundich, the Dy Commr was informed that they might be given an opportunity to peruse their respective documents and adequate and proper security after keeping up the interest due

due & up to date.

The Dy Commissioner
has accordingly submitted
the explanation of the
Amildar C. Narasinga Rao.

With his letter
No 200 dated 30th
July 1901.

As regards the amounts
due by Subbramanamma Pahatta
and Nanjundiah, the Dy
Comr states that the heirs
of ~~Sub~~ the former (since
deceased) have paid Rs 100
towards principal with full
interest due on the loan amount
and that they have prayed
for some time to pay up
the balance of Rs 100/-. And
as regards the amount due
~~by~~ from the other debtor
Nanjundiah, the Dy Comr

The Dy Comr
that this may be
granted.

Commr reports that he is
said to have gone to Mangal-
-lore and that the amount
has to be recovered from
him on his return. The Var:
records show that one
Manchiah, younger brother
of the said debtor Ranjun-
-diah, presented a petition
to the Amildar on the 24th
February 1907, ~~to~~ stating that
his brother (Ranjundiah)
had gone west to Udipi, that
he was expected back very
soon and that the amount
of debt would be cleared off
immediately after his
return; and requesting
therefore that

that he might be allowed

time till then.

The Amildar Nara-

-Singa Rao's explanation

dated 14th July 1901, is in

Kannarese, wherein he states :—

i That the records do

not show that he had given

any orders officially regarding

the grant of the loans;

ii That he afforded

facility to the Temple Vahi-

-vatdars Byregowda &

Ramanna, in the collection

of the Contributions

promised by the devotees

but which had remained

uncollected since 1881;

iii That these amounts

were collected through them

iv That the amount was not officially collected nor was it credited to the "Mugpai Funds", nor was it ever credited under the head "Deposit" as contributions

v That the Vahivatdars invested all such moneys in the Savings Bank in their own name

vi That the Vahivatdars themselves drew back such moneys and lent them to private parties;

vii That the Vahivatdars Bapugowda and Ramanna might

might have probably asked
(Auditor's)
his permission to grant
to respectable parties on
the money as a loan
favourable rates of interest & on proper security,
by reason
that the Savings
Bank interest would yield
a very small amount; and
that he (Auditor) might
have granted permission
accordingly, because
the Collection of the
amount was made through
them —

VIII. That he would not
be granted the loan
against orders, if the amount
had been credited to the
"Municipal Funds" or to "Deposits"

" "

(The other details of his explanation will be personally read).

In continuation of the Dy Comm's letter no 220 referred to above, the Dy Comm has, in his letter no 817 dated 30th November 1907 reported that Narajmandayya has executed a fresh hypothecation bond for the properties which he had hypothecated before, undertaking to discharge the debt in full in three

Seven instruments

Submitted.

Ps
14/2/0. Please see the Dewan's orders at paras 7 and 13 above.

It is satisfactory to see that the repayment of both the debts has been ~~satisfactorily~~ duly arranged for. In the case of the debt due by Subramanya Bhatta, one half of the principal has been paid up together with interest, and time is asked for re-payment of the balance. Further time may be allowed as recommended by the Dy Comr, but the Dy Comr should see that the balance is re-paid within a reasonable time, say one year from date of last payment, so that the matter transaction may be finally closed at an early date.

1. In the other case, the debtor has executed a fresh document on kindred security, promising to repay the loan in seven instalments Dft

93

may be asked to see that the
instalments are duly paid.

The explanation submitted
by the Amildar, C Narasinga Rao
(now in the Guntur Taluk)
is not very satisfactory.
He says that he himself ordered
the collection of the promised
contribution from the devotees,
that the Shroffs collected
them, & they probably
asked me (the Amildar)
for permission to lend the
moneys to private parties
at the interest allowed by
the Savings Bank i.e. 2½ p.c.,
and that he probably granted
the permission asked for.
He says further that if the
moneys had been credited
to Muzrai funds, he would
not have permitted the
loan of the amounts to private
parties in contravention of

the orders of Govt contained
in Pro No 35-36 dated
15th March 1895.

It was the duty of the
Guardian, as soon as he heard
of the collection of contributions,
to have at once placed the
amount either in the Treasury
or in the Savings Bank to the
credit of the temple. The Guardian
may be censured for his action,
and this opportunity taken
to report for the information
of all District and Taluk Officers
the observation made in the
Govt Proceedings above referred to,
that "the investment of Temple
"and Chattram funds on loans
"to private individuals is
"not at all desirable."

It will be seen therefrom that Keshavaiya, Head Goomasta of the Kadur Taluk, having in January 1894 applied for a loan out of the said temple funds, the then Amildar Mr Srinivasa Rau supported the application, and the then Officer in charge of the Muzrai department in the District

amount if the persons who had given it

Sir,

I have the honor to forward herewith for favorable consideration and orders of Government, Vernacular Correspondence ending with District Muzrai Officer's Yadi No. 148 of the 23rd June 1900 in re the loan asked for, by B Gundachar, Head Accountant of the Kadur District Treasury.

2. The applicant is a Government official, who has newly built a house in the Chikamagalur town, having received an advance of 6 month's pay from Government. He urges that the cost in completing the house has much exceeded the Government advance

and that, consequently, he had to raise elsewhere large loans at high rates of interest. He requests that a loan of Rs.500/- out of the funds at the credit of the Anjaneyaswami Temple at Birur, in the Kadur Taluk, may be given to him, on the security of his house in Chikmagalur and also the Mysore Government Life Insurance Policy for Rs.

3 It is reported that Mr. Rangaiengar, one of the Dharmadarsies of the temple, has with him Rs. 1300 as Sudavat funds of the Temple, and that he is paying interest at 12 annas per Cent per month on that amount for temple expenses. The Dharmadarsies of the temple are willing, however, to lend 500 Rs to Gavindachar, at the same rate of interest, on the distinct understanding that the applicant should pay within the 5th of every month interest due on the loan, the principal being repayable within

within 3 years. The applicant agrees to the terms of the Dharmadarsies.

4 The house belonging to the applicant has been estimated at Rs 1000/- by the Amildar and Panchayatdars. This, together with his Insurance Policy amounts to Rs 2000/- which, I think, will be a sufficient security for the loan applied for.

5. Though the granting of loans to private individuals is not authorized by Governm Order No 659 dated 5th Decemb 898, I venture to submit this Case for Special Consideration of Government.

I have the honor to be
Sir,
Your most obedient Servant

Correspondence ending with the Mysore District Deputy Commissioner's Memo No. 957—2, dated the 28th November 1894, submitting proposals for the establishment of Kandachar Subba Rao's Chattram in Hardanahalli, Chamrajnagar Taluk

AND—

The following Memo of the Muzrai Superintendent dated the 13th March 1895 —

In 1872, one Kandachar Subba Rao residing in Hardanahalli, Chamrajnagar Taluk, died leaving the following lands as endowments to a Chattram to be established in his name at Hardanahalli :—

		Area	Assessment.
i. No. 601 in Hardanahalli	Garden	K. 4—17— 6	Rs. 60—4—10.
ii. No. 1402 in Ramasandra	Wet	,, 2— 5—10	,, 23—3— 9.
iii. No. 1422 in Ramasandra	Dry	,, 0—14— 8	,, 11—0— 9.

2. At the time of the donor Subba Rao's death, land No. i. (garden) was in the possession of one Lingarajaiya, who was a joint-pattadar for the land; and it was arranged by a written Karar that Lingarajaiya should enjoy the whole of the land himself and pay one-half of the produce for the maintenance of the Chattram. The other two lands, wet and dry, were in the possession of one Honnashetti to whom the donor, Subba Rao, had previously mortgaged them, and this Honnashetti had also consented to pay one-half of the produce to the Chattram. But both Lingarajaiya and Honnashetti went on enjoying the whole produce of the lands in question themselves without paying any portion thereo[illegible]n as agreed to by them, until the year 1885, when on a petition from Venkoba[illegible]e deceased donor Subba Rao, an enquiry was set afoot by Government, a[illegible] correspondence on the subject, orders* were passed allowing Lingarajaiya to [illegible]n of the garden land on his agreeing to pay [illegible] produce (since fixed† at a permanent Gutta of Rs. 175 a year) to the Chattram, and Honnashetti was likewise confirmed in the possession of the wet and the dry lands on condition of his paying to the Chattram 23 puttis of paddy every year.

*Pro. No. 720, dated 11—7—85

†Pro. No. 3963—203, dated 20—7—90.

3. As regards the place where the Chattram is to be established, the question is still pending before Government. In 1884, the then Deputy Commissioner, the late Mr. Abdul Khader, recommended Attikulipura (9 miles from Chamrajnagar) as a fit locality for the Chattram. The recommendation was approved by Government in Proceedings No. 720, dated 11th July 1885, but no action was taken towards the construction of a Chattram building. In 1890, the Deputy Commissioner, Mr. Meiklejohn, represented‡ to Government that to locate the Chattram at Attikulipura, instead of at Hardanahalli, would be distinctly opposed to the wishes of the testator, who had left property for the construction of a Chattram in his own native village, and in a case like the one under advertance, the wishes of the testator should be given effect to if it could possibly be done. Mr. Meiklejohn accordingly recommended Hardanahalli as a fairly large village where a small Chattram might do some good, and he added that, in case the Chattram is not to be established, the money might be spent in making a good well, or tope, or on some such charitable object in the village itself, and not be taken away and spent elsewhere.

‡Letter No. 248, dated 28—5—90.

4. The Government, however, left the question undecided, and, in passing orders regarding the Gutta amounts payable on the lands endowed to the Chattram, observed§ :—

§Pro. No. 3963—203, dated 20—7—90.

"The Gutta amount so collected should be deposited in the Government Savings Bank, until such time as the accumulations that accrue are sufficient for the construction of a Chattram, either at Hardanahalli or elsewhere as may hereafter be determined."

5. The Deputy Commissioner accordingly now submits¶ to Government the District Muzrai Officer's proposals regarding the location of the Chattram.

¶Memo No. 957—2, dated 28—11—94.

6. The Chattram is, it is reported, in receipt of an annual income of Rs. 275 from the two sources specified in para 3 *supra*, and the accumulated income of past years has come up to Rs. 1,944. The District Muzrai Officer therefore proposes to start the Chattram at Hardanahalli, which, besides being the native village of the donor, is represented to be much frequented by travellers.

Order thereon.

The Government are ~~satisfied~~ glad to see that the repayment of both the debts – Rs 200 and 500 respectively – has been duly arranged for. In the case of the debt due by Subrahmanya Bhatta to the Sri Rameswaraswamy temple at Devarimda one half of the principal has been paid up together with interest, and time is asked for repayment of

the balance viz, Rs 100. to be recommended to the Dy Commr further time is allowed for the repayment, but the Dy Commr is requested to see that the balance is re-paid within a reasonable time, say one year from date of last payment, so that the transaction may be finally closed at an early date

2 In the other case, the debtor, Nanjundappa has executed a fresh document on bonded security promising to repay the loan viz, Rs 800/- in seven instalments. The Deputy

Commissioner is requested to see that the metalled are Early put up on the ~~and~~ dates fixed.

~~Submit a report as soon as the Asst Commissioner in question are finally closed.~~

3. The Govt observe that the explanation submitted by the Amildar C Narasinga Rao (now in the Belur Taluk) in the matter of granting the loans in question out of Temple funds, is not very satisfactory especially seeing that he acted without authority and in contravention of the Govt order of the 15th March 1895 read above.

He says that he himself ordered the collection of the promised contributions from the devotees of the two Deities in question, that the Vakeel does there of collected them, that they probably asked him (the Amildar) for permission to lend the ~~amounts~~ moneys to private parties as the interest allowed by the Savings Bank, ~~in which the amounts had been deposited~~, was very low, and that he probably granted the permission asked for. He says further, that if the moneys had been credited to Murgai

fund do, he would not have forwarded the loan of the amounts to private parties in contravention of the existing orders ~~of Govt. Contained in Proc. No 25-26 of the 15th March 1895.~~

4 It was the duty of the Amildar, as soon as he heard of the collection of contributions, to have at once placed the amount either in the Treasury or in the Savings Bank to the credit of the temple Amildar & Narasimha Rao should be censured for his action ~~and the Govt. take note~~ this opportunity

5. Govt take this opportunity of

Officers the observation
made in the Govt Ro

Narasinga Rao, then Amildar of Mudgere, out of the contributions levied for the repairs of the Sri Rameswara temple at Devavrinda and deposited in the Government Savings Bank, the said Subrahmanya Bhatta having failed to repay the loan though called upon to do so.

(2) Letter No. 1444, dated 7th May 1900, from the same Officer requesting sanction to the institution of a Civil suit for the recovery of the loan of Rs. 500, granted by the same Amildar in August 1897, to one Nanjundaiya, a coffee planter, out of the contributions levied for the repairs of the Sri Kallanathcswaraswami temple at Phalguni, Mudgere Taluk, the said Nanjundaiya having failed to repay the loan though called upon to do so.

(3) Government Proceedings No. 482-3, dated 27th October 1900, requesting the Deputy Commissioner to obtain the explanation of Amildar C. Narasinga Rao, in the matter of his having granted the two loans in question out of temple funds without authority, and observing in regard to the amounts due by the two individuals named above, that before proceeding to institute suits for the recovery thereof, they might be given an opportunity to renew their respective documents on adequate and proper security after paying up the interest that might have accrued till then.

(4) Letters Nos. 200 and 817, dated 30th July and 30th November 1901, respectively, from the Deputy Commissioner, Kadur District, submitting the explanation of Amildar C. Government Proceedings No. C. 35-6, dated 15th March 1895, observing that the investment of Temple and Chattram Funds in loans to private individuals is not at all desirable.

No. 1494—1502, DATED BANGALORE, 27TH MARCH 1902.

ORDER THEREON.—The Government are glad to see that the repayment of both the debts Rs. 200 and Rs. 500 respectively, has been duly arranged for. In the case of the debt due by Subrahmanya Bhatta to the Sri Rameswaraswami temple at Devavrinda, one-half of the principal has been paid up together with interest, and time is asked for repayment of the balance *viz.*, Rs. 100. As recommended by the Deputy Commissioner, further time is allowed for the repayment, but the Deputy Commissioner is requested to see that the balance is repaid within a reasonable time, say one year from date of last payment, so that the transaction may be finally closed at an early date.

2. In the other case, the debtor Nanjundaiya has executed a fresh document on landed security, promising to repay the loan *viz.*, Rs. 500, in seven instalments. The Deputy Commissioner is requested to see that the instalments are duly paid up on the dates fixed.

3. The Government observe that the explanation submitted by the Amildar C. Narasinga Rao (now in the Belur Taluk) in the matter of granting the loans in question out of temple funds, is not very satisfactory, especially seeing that he acted without authority and in contravention of the Government Order of the 15th March 1895, read above. He says that he himself ordered the collection of the promised contributions from the devotees of the two institutions in question, that the Vahivatdars thereof collected them, that they *probably* asked him (the Amildar) for permission to lend the moneys to private parties as the interest allowed by the Savings Bank, was very low, and that he *probably* granted the permission asked for. He says further, that if the moneys had been credited to Muzrai Funds, he would not have permitted the loan of the amounts to private parties in contravention of existing orders.

Proceedings of the Government of Mysore, Muzrai, dated 27th March 1902.

4. It was the duty of the Amildar, as soon as he heard of the collection of contributions, to have at once placed the amount either in the Treasury or in the Savings Bank to the credit of the temple. Amildar C. Narasinga Rao should be censured for his action.

5. Government take this opportunity of repeating for the information and guidance of all District and Taluk Officers, the observation made in the Government Proceedings of the 15th March 1895, above referred to, that " the investment of Temple and Chattram Funds in loans to private individuals is not at all desirable."

Proceedings of the Government of His Highness the Maharaja of Mysore, Muzrai, dated the 4 March 1907.

No. 4255-63, dated Bangalore, 4th March 1907.

Order.—It has been brought to the notice of Government that many of the persons who borrowed Puduvat amounts from temples have not paid the in terest due thereon or repaid the principal. The Deputy Commissioners of Districts are requested to get statements from the Amildars showing what amounts are due from each individual, up to what period the interest has been paid and whether any of the documents are time-barred.

2. In the case of the documents which are not yet time-barred but on which interest is not being regularly paid by the parties concerned, the Amildars should issue notices of demand, allowing the parties a reasonable time for payment and collect the interest or get back the principal, according to the circumstances of each case.

3. Cases in which the parties fail to pay even after the expiry of the time allowed, should be reported to Government for permission to file suits in the Civil Court against the parties concerned, stating at the same time the source from which the costs of the suit can be met.

4. If any of the documents are time-barred, the Amildars should use their best endeavours to collect the amounts due, by reasoning with the parties concerned.

5. The Amildars will be warned that they will be held personally responsible for amounts allowed by them to become barred. In this connection attention of the Deputy Commissioners is invited to Subject No. 310 brought up at the Dasara Representative Assembly of 1906, by the members Messrs. Dasappa and Chowdaiya of the Arsikere Taluk, and the reply of Government thereon and they are requested to issue the needful orders in the matter at an early date.

6. The results of the investigation made by the Deputy Commissioners should be reported to Government in detail before the end of May 1907.

7. Instances are also brought to notice that the amounts of interest realized on some of the Puduvat Funds invested in the Government Savings Bank or in Government Pro-notes, are not regularly drawn by the Amildars and remitted to the respective temples for utilization towards the stipulated sevas, etc., therein. The Deputy Commissioners should give the necessary instructions to the Amildars on this point also.

Secy. to Govt., Muz. Dept.

To—The Deputy Commissioners of Districts with spare copies of the order for transmission to the Amildars with the necessary instructions.
